Do you want to spread luck in your country? Join our family and become a reseller or country agent.

We are looking for creative people who understand the fun and business possibilities of the fortune cookies. We believe every country should have an agent. Because as a native speaker you know your country best. You can sell to advertising agencies, direct marketing agencies, PR agencies, marketing managers, communication managers or serve the business clients directly.

Visit our website to read more or call us to talk about the possibilities.
